Why Book With Us?

At Native Escapes, we select accommodation according to particular interests, season of travel, budget and availability. We have travelled extensively in South Africa, and have a good level knowledge of the destinations and things to do. When you book, we 'flesh out' your itinerary with suggestions for things to do in each area, and will provide maps and directions to each destination with your final paperwork.

We have on-the-ground services by way of ground handlers, who provide an excellent service in the event of emergency – so you have a local number to contact should you need to. Because we purchase accommodation through ground handlers who sell to agents such as ourselves around the world, we have access to excellent rates which are not available for direct bookings; you should pay no more for direct bookings than if you book through us – and more usually, you will pay less. All car hire quotes are inclusive of full insurance.

Finally, the recent collapses of other holiday companies such as XL – and indeed airlines such as Oasis, Nationwide and Maxjet show the importance of booking with bonded agents. We comply fully with the UK Package & Travel Regulations 1992. Holidays with flights included are covered by the company's ATOL Bond (Air Travel Organisers' Licence) held by the Civil Aviation Authority (CAA). This means that in the unfortunate event that our company should fail, the CAA will arrange any necessary repatriation and any refund of monies paid to *Native Escapes* in advance. Our ATOL number is 9709.

*The air holiday shown is ATOL protected by the Civil Aviation Authority.
