Namibia

You arrive at Sossus Dune Lodge in the midafternoon and you will stay here for two nights whilst you explore the remarkable sights of the Namib Desert with your guide. If there is still time today, your guide will take you to visit Sesriem Canyon, a nearby geological attraction, or explore Elim Dune. However, if you prefer, you can just relax and soak in the scenic and tranquil surroundings at Sossus Dune Lodge.

Sesriem Canyon has evolved through centuries of erosion by the Tsauchab River which has incised a narrow gorge about 1.5 km long and 30 meters deep into the surrounding conglomerates, exposing the varying layers of sedimentation deposited over millions of years. The shaded cool depths of the canyon allow pools of water to gather during the rainy season and remain for much of the year round. These pools were a vital source of water for early settlers who drew water for their livestock by knotting six (ses) lengths of rawhide thongs (riems) together, hence the canyon and surrounding area became known as Sesriem. (Breakfast, Lunch and Dinner included).

Day 4

This morning you will need to rise early for a magical excursion with your guide in the Namib Naukluft National Park, normally setting off before sunrise to capture the dunes whilst the light is soft and shadows accentuate the towering shapes and curves. This area boasts some of the highest free-standing sand dunes in the world and your guide will give you an insight on the formation of the Namib Desert and its myriad of fascinating creatures and plants that have adapted to survive these harsh environs. Once you have explored Sossusvlei, Deadvlei and surrounding dune fields to your heart's content you can enjoy a relaxed picnic brunch in the shade of a camel thorn tree. You then return to Sossus Dune Lodge in the early afternoon in time for a late lunch, with the option to visit Sesriem Canyon afterwards if you haven't already done so the day before. The rest of the afternoon is at your leisure (from experience, this is usually welcomed after an exhilarating morning in the dunes). Overnight Sossus Dune Lodge – breakfast, lunch and dinner

Day 5

The fascinating drive today takes you northwest through the ever changing desert landscapes of the Namib Naukluft National Park, including the impressive Gaub and Kuiseb canyons. You will meet the coast at the port town of Walvis Bay and then continue north to Swakopmund where you can enjoy the pleasant seaside location and cooler coastal air for your next two nights. There will be time this afternoon to wander around town and along the waterfront on foot if appeals, before heading off for dinner at a popular restaurant which specialises in fresh seafood.

Note: there is an option to include a sunrise balloon flight or scenic light aircraft flight over the Namib Naukluft National Park before you depart for Swakopmund. (at supplementary cost). The light aircraft flight gives you a birds eye view of the dunes, sea, abandoned mining camps, shipwrecks, sandwich harbor and salt pans, before landing at Swakopmund airport later in the day where you will be met by your guide.

Swakopmund resembles a small, German coastal resort nestled between the desert and the sea, and is a perfect example of German colonial architecture blending with good hotels, restaurants, museum, and coffee shops. The elaborate railway building and others are of interest, as are the various arts and crafts centres which you may wish to visit. During your two nights in Swakopmund you will be accommodated at a fantastic new, modern and somewhat quirky hotel, ideally located in Swakopmund. (Breakfast, Lunch and Dinner included) Overnight: Centrally Located Guesthouse

Day 6

After an early breakfast your guide will drive you along the scenic coastal road back south to Walvis Bay for a memorable kayaking or catamaran adventure. On the kayaking trip, after meeting your guide you will be taken on a short scenic drive to Pelican Point to see its lighthouse and windswept beauty, stopping briefly at the salt works to view the variety of birdlife on your way to the launch point. The kayaking is an ideal way of seeing Cape fur seals, Heaviside and bottlenose dolphins, pelicans, flamingos and a wide variety of other sea birds. If you are lucky, there is also a chance of seeing whales, leatherback turtles and sunfish. During the course of the day the guide will stop and inform you about the environment and light refreshments will be served on the beach before heading back to Walvis Bay.

Alternatively you may partake in a catamaran trip if the kayaking doesn't appeal. On this memorable trip you head further out to sea where there is perhaps more opportunities for getting closer to the dolphins and Cape fur seals. During the excursion you will be served local sparkling wine and fresh oysters, before you will return to the jetty at roughly midday.

You then have the opportunity to explore the waterfront area of Walvis Bay further before returning to Swakopmund for an afternoon at leisure. You may also like to partake in some of the many activities that Swakopmund has to offer, these include camel rides, scenic flights, quad-biking in the dunes and more (all at extra cost). (Breakfast, Lunch and Dinner included)

Day 7

Continue on your safari, heading north and east into Damaraland, with stops to view game and absorb the vastness of the area along the way. If time allows this afternoon your guide will take you to visit the nearby attractions and geological sites of Twyfelfontein rock engravings (recently declared a UNESCO World Heritage Site), Burnt Mountain and the Organ Pipes - if not there is plenty of time to do so tomorrow. You stay for 2 nights at a camp in the heart of Damaraland, ideally located a short drive from the local attractions in the area.

The Camp is nestled amongst an outcrop of giant granite boulders, a stones throw away from the ephemeral Aba Huab riverbed where desert adapted elephants often traverse. Each comfortable thatched bungalow is simply but tastefully furnished with en-suite bathroom.
