

TRIP ITINERARY

Mara fly in Safari & Beach

Kenya

This exclusive fly in safari showcases Kenya's most famous park, the Masai Mara. For those with limited time, but requiring maximum safari experience, fly by light aircraft to the Masai Mara where you can spend 3 days in this diverse wilderness taking game drives on a private or shared basis. Why not take the opportunity to add in a night game drive, Masai village or other optional activity to fully enhance your trip. The Masai Mara shares the same massive eco-system as the Serengeti, most famous for the annual migration of the wildebeest, so you can be sure of fabulous game viewing. Fly on to a further destination, Samburu or Amboseli perhaps, or end your journey there with a flight back to Nairobi and onward flight home. For those with a little more time to spare, why not fly on to the coast for some well earned rest and relaxation to end this fabulous trip.

At Native Escapes, we select adventures and accommodation according to particular interests, season of travel, budget and availability. We have travelled extensively in Africa, and have a good level knowledge of the destinations and things to do. Because we have visited many of the accommodations, we can make personal recommendations. We have on-the-ground services by way of ground handlers, who provide an excellent service in the event of emergency. Because we purchase accommodation through ground handlers who sell to agents such as ourselves around the world, we have access to excellent rates which are not available for direct bookings; you should pay no more for direct bookings than if you book through us. Our ground handlers' contact number will be included in your final documentation for you to contact should you require assistance during your trip.
