At Native Escapes, we select adventures and accommodation according to particular interests, season of travel, budget and availability. We have travelled extensively in Africa, and have a good level knowledge of the destinations and things to do. Because we have visited many of the accommodations, we can make personal recommendations. We have on-the-ground services by way of ground handlers, who provide an excellent service in the event of emergency. Because we purchase accommodation through ground handlers who sell to agents such as ourselves around the world, we have access to excellent rates which are not available for direct bookings; you should pay no more for direct bookings than if you book through us.
